VARIETY OF AWLGRIP HULL COLOUR OPTIONS AVAILABLE FOR 2012 FAIRLINE RANGE

Fairline Boats, a luxury motor yacht manufacturer, is offering customers a variety of Awlgrip hull colour options for the 2012 Fairline model range. In addition to the existing Fairline factory gelcoat colour options, owners will also have the choice of a wide selection of Awlgrip colours as an option when purchasing a new Fairline from the Squadron flybridge and Targa express cruiser ranges.

Offering high resistance to UV, a deep shine and gloss, Awlgrip coatings are available in a range of colours, including fast-drying metallic, pearls and special effect coatings. The first Targa 58 *GRAN TURISMO* to feature a metallic silver hull was achieved using Awlcraft SE, a high performance, high gloss and robust topcoat system from Awlgrip. The paint work on this latest Targa 58 *GRAN TURISMO* was shown to prospects during the award-winning express cruiser's recent tour of the western Mediterranean.

The 2012 Fairline range includes the Targa 38, Targa 38 *GRAN TURISMO*, Targa 44 OPEN, Targa 44 *GRAN TURISMO*, Targa 50 *GRAN TURISMO*, Targa 58 *GRAN TURISMO* Squadron 42, Squadron 50, Squadron 65, and the Squadron 78 CUSTOM.

For further information on Awlgrip, including the latest news and products, or to locate your nearest Technical Representative, visit awlgrip.com

For further information about the latest hull colour option, contact an authorised Fairline dealer, listed on www.fairline.com.
